THE LADIES CIRCLE, EARL SHILTON invite all parishioners of Hinckley and Market Bosworth to a nostalgic evening with a guest speaker, on Life in the Swinging Sixties. We will be entertained with songs, tales and fashion of the era. Please come along for an enjoyable evening and a trip down memory lane, joining in with many of the songs we remember and know so well. **Friday April 28th at 7.30pm in E S church hall.** £3 per person to include light refreshments.

Hospital Chaplaincy – because of the lack of priests we have been experiencing great difficulty with looking after people in hospital. At present there is no resident priest chaplain for Leicester Royal Infirmary and Glenfield Hospital. Fr.John Daley I.C. at St.Joseph's, looks after Leicester General Hospital, and six priests take it in turns to look after George Eliot Hospital on an on-call basis. If you have to go into hospital or a relative is taken into hospital therefore, please let us know immediately. Likewise if your relative moves wards or hospitals, please tell us to save unnecessary late-night journeys! We are particularly concerned when a person is seriously ill, as it is now our responsibility and privilege to go to pray with them and their families. If you know you have to go into hospital for surgery and would like to receive the Sacrament of the Sick beforehand, please inform us and we will come to visit you at home.
